

BID BULLETIN NO. 1

27 June 2012

PROJECT: "SOLID WASTE MANAGEMENT SERVICES AT THE CAVITE ECONOMIC ZONE"

This Bulletin is issued to modify or amend the Bid Documents. This shall form an integral part of the Bid Documents.

1. Certificate of Training of key personnel on the PEZA guidelines on handling and transport of economic zones solid waste

PEZA Accredited Residual Waste Haulers are required to update their personnel training every 2 years.

In case of resignation of the accredited hauler's trained personnel, the hauler may replace the said personnel with other personnel that have already undergone training in the PEZA guidelines on the collection, transport and disposal of solid waste, even if the said training was taken by the said employee under a different company, provided that their training is updated and that the status of employment can be clearly demonstrated by the hauler.

Please be guided accordingly.
