## BID BULLETIN NO. s.2017-2

29 August 2017

### “Repair of Damaged Asphalt Road along Road E at the Cavite Economic Zone”

Reference No. PEZA-CEZ 17-08-005

This Bid Bulletin is issued to modify or amend the following provisions in the Bidding Documents, as a result of the Pre-Bid Conference held on August 21, 2017 for the Project “Repair of Damaged Asphalt Road along Road E at the Cavite Economic Zone”. This shall form an integral part of the Bid Documents.

Concern Raised	Resolution
o Section VI – Technical Specifications/ Scope of Work - Asphalt thickness of 1”. Prospective bidder suggested that a 1 ½ thickness for asphalt be adopted as it is the minimum requirement of all asphalt projects and to ensure also of good quality asphalt	To proceed with the existing specification. The CEZ Engineering and Maintenance Division resolved that the One (1”) inch thickness of asphalt overlay on existing asphalt road will be followed.

Please be guided accordingly.
