Vision and Mission

VISION

To be a major player in providing a globally competitive and ecologically sustainable business environment that will generate investments, exports and employment for the Philippines.

MISSION

To provide a globally competitive and ecologically sustainable business environment to investors through:

- Effective management of economic zones;
- Efficient administration of incentives;
- Utmost delivery of services;
- Focused investment promotion; and
- Proactive developmental activities.

Performance Pledge

We, the officers and employees of the Philippine Economic Zone Authority, do hereby commit ourselves to provide a globally competitive environment where the growth of investments, exports and employment are nurtured by:

- Effectively managing economic zones;
- Efficiently administering incentives;
- Providing utmost delivery of services;
- Undertaking focused investment promotions; and,
- Proactively implementing developmental activities

To uphold this commitment, we endeavor to:

- Perform our tasks with absolute honesty, integrity and excellence, and with the highest standards of professionalism and dedication to the welfare of our countrymen;
- Undertake a continuing program to develop our human resources and nurture a working environment that motivates pursuit of excellence, professional growth, teamwork and unity of purpose; and
- Communicate to the whole of PEZA and its clientele, our quality policy and performance, and initiate measures to continually upgrade the quality of our services.

So help us, God.

Feedback and Redress Mechanism

Please let us know how we have served you by doing any of the following:

- Accomplish our Feedback Form available in the offices and put in the drop box at the lobby
- Send your feedback through fax (891-6381) or e-mail (iso@peza.gov.ph)
- Talk to our Officer-of-the-Day at the Public Assistance and Complaints Desk.

We hope we have served you well. However, if you are not satisfied with our service, your written/verbal complaints shall immediately be attended by the Officer-of-the-Day at the Public Assistance and Complaints Desk.

THANK YOU for helping us continuously improve our services.

PROCESSING OF APPLICATION FOR REGISTRATION OF NEW ECOZONE LOGISTICS SERVICE ENTERPRISES:

SCHEDULE OF AVAILABILITY OF SERVICES: Mondays to Fridays from 8:00 A.M. - 5:00 P.M.

Cut off period for submission of applications: 3 working days prior to scheduled PEZA Board meeting (*NOTE: The PEZA Board meets twice a month, usually on the 2nd and 4th week of the month*).

WHO MAY AVAIL OF THE SERVICE?

1. Business enterprises (Corporations, Partnerships or Single Proprietorships) which will engage in the establishment of a warehouse facility for storage, deposit, safekeeping of goods for subsequent transfer directly to the ecozone plant of the PEZA-registered export enterprise owner/consignee;
2. Enterprises which will engage in the importation or procurement from local sources and/or from other PEZA-registered enterprises of goods for resale, or for packing/covering (including marking, labeling), cutting or altering to consumers' specification, mounting and/or packing into kits or marketable lots for subsequent sale, transfer or disposition to export-producer enterprises registered with PEZA, SBMA, CDC BOI operating customs bonded manufacturing warehouses (CBMWs), other investment promotion agencies, and to overseas clients for direct export, or for consignment to PEZA-registered enterprises.
3. Those referred to in (1) and (2) above who are willing to locate in a PEZA-registered Special Economic Zone; and
4. Those referred to in (1) and (2) above who has paid-up capitalization equivalent to US\$ 200,000.00 prior to registration.

WHAT ARE THE REQUIREMENTS?

1. Completely filled-out PEZA Application Form for Ecozone Logistics Service Enterprise;
2. Notarized Undertaking and Anti-Graft Certificate (*format attached in the application form*);
3. Notarized copy of Board Resolution authorizing the filing of the application with PEZA and designation of a representative(s) authorized to transact registration with PEZA;
4. Certificate of Registration from Securities and Exchange Commission, Articles of Incorporation and By-Laws indicating among its purpose the applicant's export/manufacturing activities (*if not yet available, submit draft of Articles of Incorporation*);
5. Resume or biodata of principal officers;
6. Reservation form or similar document on building/area to be leased (*if applicable*). If lessor is a PEZA-registered enterprise, aside from an Ecozone Facilities Enterprise, a letter-request from the lessor is required;
7. Favorable endorsement from the developer/operator of the Special Economic Zone and PEZA Administrator/Zone Manager; and
8. Company profile of parent company (*if applicable*).

ADDITIONAL REQUIREMENTS FOR A COMPANY WHICH WILL TRANSFER ITS EXISTING OPERATIONS TO PEZA:

1. BIR Tax Clearance (*if not yet available, submit copy of notice to BIR of transfer of Company's operations to PEZA*);
2. Certification from three (3) labor agencies (Department of Labor and Employment, National Labor Relations Council, and National Conciliation and Mediation Board) stating that enterprise has no pending labor case(s);
3. SSS Clearance;
4. Copy of Audited Financial Statements and Annual Income Tax Returns for the past three (3) years (*as applicable*); and
5. Summary of export and local sales performance (volume and value) and employment for the past three (3) years (*as applicable*).

DURATION: 21 working days (*subject to the submission of all required documents and data, and other additional information as may be required by PEZA*).

PROCESSING OF APPLICATION FOR REGISTRATION OF NEW PROJECTS OF PEZA REGISTERED ENTERPRISES:

SCHEDULE OF AVAILABILITY OF SERVICES: Mondays to Fridays from 8:00 A.M. - 5:00 P.M.

Cut off period for submission of applications: 3 working days prior to scheduled PEZA Board meeting (*NOTE: The PEZA Board meets twice a month, usually on the 2nd and 4th week of the month*).

WHO MAY AVAIL OF THE SERVICE?

PEZA-registered enterprises with existing business operation(s):

1. Whose proposed new project is covered under the approved annual Investments Priorities Plan (IPP) (refer to www.boi.gov.ph for the latest IPP) and PEZA Guidelines in the Registration and Operation of Ecozone Enterprises (refer to www.peza.gov.ph for the guidelines under Issuances);
2. Which project to be established is entirely distinct and different from its existing PEZA-registered project(s) in terms of either final product or service, production process, equipment or raw materials; or existing PEZA-registered enterprises which project to be established is along the same line of business as any of its existing operations provided that its new project will involve the establishment of another line that may be put up in a site either outside or contiguous to its existing premises or compound;
(NOTE: "Another Line" refers to new facilities used in the production of the registered product/service. This line may use a facility common to an existing line such as warehouse, finishing, quality control, or laboratory. "New Facility" refers to the space or area, physical structure and equipment provided for a particular purpose or segment of the production process/service activity)
3. Which will be exporting at least fifty percent (50%) of its production output/services for its proposed new project if Filipino-owned; or must be exporting at least seventy percent (70%) of its production output/services for its proposed new project if foreign-owned (*unless a lower percentage is allowed under the annual IPP and by the PEZA Board*);
4. Which proposed new project will be undertaken in a PEZA-registered Special Economic Zone; and
5. Which will be putting up new investments in fixed assets and working capital, and has paid-up capitalization equivalent to 25% of the project cost for its proposed new activity/project (*may be complied within a period of 1 year*).

NOTE: For existing PEZA-registered I.T. Enterprises which new project to be established is along the same line of business as any of its existing operations, it must put up its new project in a different site from its existing similarly registered operations. Likewise, I.T. Enterprises which new project to be established involves contact/call center operations, to qualify for Income Tax Holiday (ITH) incentive, a minimum investment cost of the Philippine Peso equivalent of US\$2,500 per seat is required covering the cost of equipment (hardware and software), office furniture and fixture, building improvements and renovation, and other fixed assets except land, building and working capital.

WHAT ARE THE REQUIREMENTS?

1. Completely filled-out PEZA Application Form;
2. Anti-Graft Certificate (*format attached in the application form*);
3. Notarized copy of Board Resolution authorizing the filing of the application with PEZA and designation of a representative(s) authorized to transact registration with PEZA;
4. Copy of Audited Financial Statements and Annual Income Tax Returns for the past three (3) years (*as applicable*);
5. Summary of export sales performance (volume and value) and employment for the past three (3) years (*as applicable*);
6. Comparative presentation of company's existing projects (under PEZA and/or BOI, if applicable) and the proposed project showing the 4 criteria, namely: product description/usage or service, raw materials, manufacturing/service process and machinery/equipment to be used;
7. Reservation form or similar document on building/area to be leased (*if applicable*). If lessor is a PEZA-registered enterprise, aside from an Ecozone Facilities Enterprise, a letter-request from the lessor is required; and
8. Favorable endorsement from the PEZA Administrator/Zone Manager.

DURATION: 21 working days (*subject to the submission of all required documents and data, and other additional information as may be required by PEZA*).

PROCESSING OF APPLICATION FOR REGISTRATION OF EXPANSION PROJECTS OF PEZA REGISTERED ENTERPRISES:

SCHEDULE OF AVAILABILITY OF SERVICES: Mondays to Fridays from 8:00 A.M. - 5:00 P.M.

Cut off period for submission of applications: 3 working days prior to scheduled PEZA Board meeting (*NOTE: The PEZA Board meets twice a month, usually on the 2nd and 4th week of the month*).

WHO MAY AVAIL OF THE SERVICE?

1. PEZA-registered enterprises which proposed project/activity will involve:
 - (a) The production of similar products or services already being undertaken by the firm as part of its PEZA-registered activity;
 - (b) The installation of additional capacity-determinant equipment within the same existing plant or facility of the enterprise; and
 - (c) The modernization and rehabilitation of an existing facility of activities listed in the Investments Priorities Plan (IPP) that will result in increase in existing capacity.
2. PEZA-registered enterprises which proposed service type activities that do not meet the qualification requirements for new projects.
3. PEZA-registered I.T. Enterprises which proposed ICT projects will be located in the same building and using the same basic common facilities such as servers, backup generators, internet connections, etc.

WHAT ARE THE REQUIREMENTS?

1. Completely filled-out PEZA Application Form;
2. Anti-Graft Certificate (*format attached in the application form*);
3. Notarized copy of Board Resolution authorizing the filing of the application with PEZA and designation of a representative(s) authorized to transact registration with PEZA;
4. Copy of Audited Financial Statements and Annual Income Tax Returns for the past three (3) years (*as applicable*);
5. Summary of export sales performance (volume and value) and employment for the past three (3) years for the existing project (*under PEZA and/or BOI, as applicable*) wherein the proposed project is most related;
6. Reservation form or similar document on building/area to be leased (*if applicable*). If lessor is a PEZA-registered enterprise, aside from an Ecozone Facilities Enterprise, a letter-request from the lessor is required; and
7. Favorable endorsement from the PEZA Administrator/Zone Manager.

DURATION: 21 working days (*subject to the submission of all required documents and data, and other additional information as may be required by PEZA*).

 Application for Availment of ITH

PROCESSING OF APPLICATION FOR EXTENSION OF INCOME TAX HOLIDAY (ITH)

Schedule of Availability of Service:

8:00 AM – 5:00 PM

Who May Avail of the Service:

Capital Equipment to Labor Ratio (CELR) Criterion

- Enterprises whose ratio of the total imported and domestic capital equipment to the number of director workers for the project does not exceed US\$10,000 to one worker

Net Foreign Exchange Earnings (NFEE) Criterion

- Enterprises whose Net Foreign Exchange Earnings amount to at least US\$500,000 average annually during the first three (3) years of operations of the project

Indigenous Raw Materials (IRM) Criterion

- Enterprises whose average cost of indigenous raw materials used in the manufacture of the registered product is at least fifty percent (50%) of the total cost of raw materials for the preceding years prior to the extension.

What are the requirements:

1. Duly accomplished and notarized application form
2. Copy of PEZA Notice of Approval of date of Start of Commercial Operations
3. Copy of Official Receipt of PhP1,200 application fee.
4. For **Capital Equipment to Labor Ratio (CELR) Criterion**
 - a. Copy of Audited Financial Statements duly stamped "Received" by BIR for the taxable year preceding the period applied for extension. If accounting period does not coincide with the ITH period, interim balance sheet should also be submitted.
 - b. Itemized list (lapsing schedule) of machinery and equipment certified by two (2) of the enterprise's highest officials and attested by the Zone Administrator/Manager with the following information: i) description of machinery/equipment per registered activity/project, and ii) respective acquisition cost and accumulated depreciation
 - c. The aggregate book value appearing in the itemized list should always reconcile with the Balance Sheet Machinery and Equipment Account value.
In case, equipment is sent on consignment basis, an itemized list of consigned machinery and equipment with corresponding cost covering the registered activity/ies duly certified under oath by a responsible official of the company shall be submitted.

For IT enterprises, lapsing schedule should be per activity and/or per location/site including the number of seats per location/site.

- d. Certified true copy of Monthly Payroll for 12 months preceding the period applied for extension supported by corresponding remittances of SSS premiums and/or withholding taxes due to BIR pertaining to the registered activity for the same taxable year. The payroll should indicate the respective position of the workers including project/activity to which the workers are assigned (if the enterprise has more than 1 registered activity)
- e. Job description of workers classified as direct labor
- f. Computation of Capital Equipment to Labor Ratio using the prescribed format

For **Net Foreign Exchange Earnings (NFEE) Criterion**

- a. Copy of Audited Financial Statements including Income Tax Returns duly stamped "Received" by BIR for the first three (3) years of commercial operations.
- b. Sales summary report (monthly basis indicating invoice number/s, date, buyer/destination, description, amount in US\$ with peso equivalent) covering the first three (3) years or thirty six (36) months of commercial operation duly certified by a responsible official of the enterprise. Export and local sales must be segregated.
- c. Segregated Income Statement (with details of cost of sales and operating expenses including lapsing schedule of imported machinery and equipment) per project, if enterprise has more than 1 registered project covering the first three (3) years of commercial operations certified by two (2) of the highest officials of the enterprise. Interim income statement should be submitted if the accounting period does not coincide with the ITH period.
For IT enterprises with multiple locations/sites, income Statement should be per location/site certified by two (2) of the highest officials of the enterprise.
- d. Breakdown of other and/or miscellaneous income, if there any, duly certified by responsible official of the enterprise

For IT enterprises, the following information must also be submitted: number of seats and number of employees (direct, indirect and administrative) for each location/site as of end of each taxable year (3 years)

- e. Computation of Net Foreign Exchange Earnings certified by a responsible official using the prescribed format

For **Indigenous raw Material (IRM) Criterion**

- a. Copy of Audited Financial Statements (with detailed manufacturing cost statement) including Income Tax Returns duly stamped "Received" by BIR for all taxable years from start of commercial operations and prior to the extension. The Income Statement should segregate result of operation of each registered activity. Interim Income Statement should also be submitted if accounting period does not coincide with the ITH period.
- b. Breakdown of Cost of Raw Materials for the inclusive ITH period pertaining to the registered activity and indicating what are indigenous and attested by the Zone Administrator/Manager. Data on source/origin of indigenous raw materials should also be provided and should be supported by purchase invoices and delivery receipts.

Duration: Capital Equipment to Labor Ratio criterion: 15 days –for projects with direct workers of 100 and below
 30 days- for projects with direct workers of more than 100
Net Foreign Exchange Earnings criterion: 15 days
Indigenous Raw Materials criterion: 30 days

How to avail of the service:

Step	Applicant/Client	Service Provider	Duration of Activity* (Under Normal Circumstances)	Person in Charge	Fees	Form
1	Proceed to Incentives Management Division for pre-screening of application	Pre-screen completeness of application and supporting documents; accomplish checklist of requirements; Issue order of payment and advise client to pay to the cashier	15 mins. 2. Report of corrective actions made for the noted deficiencies during the Fire Safety Inspection

Duration:

Three (3) days and seventy (70) minutes

Process Flow: (Reference: RA 7916 "The Special Economic Zone Act of 1995" and its IRR)

Step	Applicant/Client	Service Provider	Duration of Activity (Under Normal Conditions)	Person in Charge	Fees	Form
1	Submit the required documents	Check completeness and receive the FSIC application documents	5 minutes	EHSD Staff	none	none
2		Conduct inspection	1 day	EHSD Staff	none	none
3	Pay for Fire Safety Inspection Certificate and submit proof of payment	If applicant has satisfactorily complied with the requirements, prepare Fire Safety Inspection Certificate	1 day	EHSD Staff	Php 120.00	none
4		Recommend approval of the Fire Safety Inspection Certificate to the Fire Chief	1 day	EHSD Chief	none	none

PROCESSING OF FIRE SAFETY INSPECTION CERTIFICATE (FSIC) APPLICATIONS

Step	Applicant/Client	Service Provider	Duration of Activity (Under Normal Conditions)	Person-in-Charge	Fees	Form
5		Approve and sign the Fire Safety Inspection Certificate	1 hour	Fire Chief	none	none
7	Claim the Fire Safety Inspection Certificate	Release the Fire Safety Inspection Certificate	5 minutes	EHSD Staff	none	none
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF CERTIFICATE OF INTERCONNECTION TO PEZA SEWERAGE SYSTEM

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. to 5:00 P.M.

Who May Avail of the Service:

All PEZA Public Economic Zone Locators generating industrial and domestic wastewater applying for new or amendment of Certificate of Interconnection (one-time application)

What are the Requirements:

1. Application of Form for PEZA Sewerage System Interconnection
2. Building Permit, Sanitary/Plumbing Permit
3. Process flow of Pre-treatment facility, if applicable

Duration:

5 days and 25 minutes

Process Flow: (Reference: PEZA MC 2009-019 “Guidelines on Wastewater Management”)

Step	Application/Client	Service Provider	Duration of activity (under normal conditions)	Person in Charge	Fees	Form
1	Submit the Application Form for PEZA Sewerage System Interconnection	Receive the Application form and all the attached requirements	5 minutes	EHSD Staff	none	Application of Form for PEZA Sewerage System Interconnection
2		Evaluate the information provided in the Application form and all the attached requirements	2 days	EHSD Staff	none	none
3		If document presented are compliant and acceptable, prepare Certificate of Interconnection	1 day	EHSD Staff	none	None

PROCESSING OF CERTIFICATE OF INTERCONNECTION TO PEZA SEWERAGE SYSTEM

Step	Application/Client	Service Provider	Duration of activity (under normal conditions)	Person in Charge	Fees	Form
4		Recommend approval of Certificate of Interconnection to the Zone Administrator	1 day	EHSD Chief	none	None
5		Approve and sign the Certificate of Interconnection	1 day	Zone Administrator	none	None
6		Issue Order of Payment	10 minutes	EHSD Staff	Php 120.00	Official Receipt
7		Release the Certificate of Interconnection	5 minutes	EHSD Staff	none	Certificate of Interconnection
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF PERMIT TO DISCHARGE TO PEZA SEWERAGE SYSTEM

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. to 5:00 P.M.

Who May Avail of the Service:

All PEZA Public Economic Zone Locators discharging their industrial and domestic wastewater to the Public Economic Zone's Sewerage System applying for new, amendment or renewal (annual) of Discharge Permit

What are the Requirements:

1. Permit to Discharge Application Form
2. Certificate of Connection to the Public Economic Zone's Sewerage System
3. As-built Sewerage Plan showing all wastewater sources and connection to the Public Economic Zone's Sewerage System
4. Latest result of the effluent analysis conducted by a DENR recognized laboratory showing its compliance with the Public Economic Zone's Effluent Standards
5. Latest Water & Sewerage bill issued by PEZA
6. Process flow of production process generating wastewater, if applicable
7. Process flow of wastewater treatment facility, if applicable
8. For renewal applications, copy of expired Permit to Discharge

Duration:

Five (5) days

Process Flow: (Reference: PEZA MC 2009-019 "Guidelines on Wastewater Management")

Step	Applicant/Client	Service Provider	Duration of activity (under normal conditions)	Person in Charge	Fees	Form
1	Submit the Application Form for Permit to Discharge together with all the required attachments	Receive the Application Form and all the attached requirements	5 minutes	EHSD Staff	none	Application Form for Permit to Discharge

PROCESSING OF PERMIT TO DISCHARGE TO PEZA SEWERAGE SYSTEM

Step	Applicant/Client	Service Provider	Duration of activity (under normal conditions)	Person in Charge	Fees	Form
2		Evaluate the information provided in the Application Form and all the attached requirements	2 days	EHSD Staff	none	none
3		If documents presented are compliant and acceptable, prepare Permit to Discharge and affix case handler's initials	1 day	EHSD Staff	none	none
4		Evaluate and recommend approval of the Permit to Discharge to the Zone Administrator	1 day	EHSD Chief	none	none
5		Approve the Permit to Discharge	1 day	Zone Administrator	none	none
6	Claim the Permit to Discharge	Release the Permit to Discharge	5 minutes	EHSD Staff	none	none
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF SANITARY PERMIT FOR INDUSTRIAL ESTABLISHMENTS

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. - 5:00 P.M.

Who May Avail of the Service:

All industrial establishments within a PEZA-Registered Economic Zone applying for new or renewal (annual) of Sanitary Permit

What are the Requirements:

1. Latest PEZA Annual Occupational Safety and Health Inspection Report
2. Report of corrective actions made for the noted deficiencies during the Occupational Safety and Health Inspection
3. Copy of Official Receipt of Annual Inspection Fee

Duration:

Five (5) days and fifteen (15) minutes

Process Flow: (References: RA 7916 “The Special Economic Zone Act of 1995” and its IRR, PEZA MO 2009-006 “Guidelines for the Issuance of Sanitary Permits for Industrial Enterprises and Food Service Establishments in the Public Economic Zones)

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
1	Submit to EHSD the required documents	Check completeness and receive the Sanitary Permit for Industrial Establishment requirements	5 minutes	EHSD Staff	none	
2		Evaluate the requirements	1 day	EHSD Staff	none	
		Issue Order of Payment	10 minutes	EHSD	none	Order of Payment
3	Pay corresponding fees to Cashier	Issue PEZA Official Receipt	10 minutes	PEZA Cashier	Php 210.00 (Filing Fee 120 + Issuance 90)	Official Receipt

PROCESSING OF SANITARY PERMIT FOR INDUSTRIAL ESTABLISHMENTS

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
4	Submit proof of payment for annual inspection fees	If application documents are satisfactory and complete, prepare the Sanitary Permit for Industrial Establishment and affixes initials	1 day	EHSD Staff	none	
5		Recommend approval of the Sanitary Permit for Industrial Establishment to the Zone Administrator	1 day	EHSD Staff	none	
6		Approve and signs the Sanitary Permit for Industrial Establishment	30 minutes	EHSD Chief	none	
7	Claim the Sanitary Permit for Industrial Establishment	Release the Sanitary Permit for Industrial Establishment	5 minutes	EHSD Staff	none	
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF SANITARY PERMIT FOR FOOD ESTABLISHMENTS

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. - 5:00 P.M.

Who May Avail of the Service:

All owners/operators of food establishments within the Public Economic Zone applying for new or renewal (annual) of Sanitary Permit

What are the Requirements:

1. Sanitary Permit Application Form
2. Valid Health Cards of all Food Handlers issued by MHO
3. Memorandum of Agreement with the Public Zone Locator Enterprise, or, Certification, if applicable
4. EHSD Sanitary Inspection Report
5. Report of corrective actions undertaken for all noted deficiencies
6. Kitchen Waste Management Plan

Duration:

Five (5) days and forty-five (45) minutes

Process Flow: (References: RA 7916 “The Special Economic Zone Act of 1995” and its IRR, PEZA MO 2009-006 “Guidelines for the Issuance of Sanitary Permits for Industrial Enterprises and Food Service Establishments in the Public Economic Zones)

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
1	Present the application form for Operating Small Business inside the public economic zone together with application form for Sanitary Permit for Food Establishment, Valid Health Cards of all Food Handlers issued by MHO, MOA with the locator enterprise, if applicable or Certification that the canteen is company owned, Business Permit, Inspection Report, and Report of Corrective Actions undertaken for all noted deficiencies. 4. Required license, permits and/or clearance if regulated by other government agencies

*PNP Firearms and
Explosives Division:*

Original Permit to Purchase (Locator Enterprise); Original Permit to Purchase Locally/Transfer/Move Explosives (Chemical Supplier)

*Phil. Drug Enforcement
Agency (PDEA):*

Mixture has 30% and above PECS - P-3 or P5-I License and Special Permit to (Locator Enterprise);
Original P-4, P-5-C or P-5-I License (Chemical Supplier)
Mixture has less than 30% PECS - Valid PDEA/DBB Certificate of exemption with RA 9165 or Special Permit

*Environmental Management
Bureau:*

Chemicals under Chemical Control Order (CCO) - Original CCO Registration (Locator Enterprise)
Chemicals included in Priority Chemical List (PCL) - Hazardous Waste Generator's ID Registration
Chemicals not included in PICCS – PMPIN for more than 100 kg, or SQI for less than 100 kg

Duration:

One (1) Hour

**SECURING OF CLEARANCE FOR IMPORTED CHEMICALS AND CHEMICAL SUBSTANCES
(For Public Zone Locator Enterprises)**

Process Flow:

Step	Applicant/Client	Service Provider	Duration of activity (under normal conditions)	Person in Charge	Fees	Form
1	Submit to EHSD Form 8101 together with the required documents	Evaluate if the chemical/chemical mixture is included in regulated chemical list	15 minutes	EHSD Staff	none	PEZA Form 8101
2	Present all the required license, permits and/or clearance if material is regulated by other government agencies	Evaluate the validity of the license, permits and/or clearance and verify whether the allowed quantity is not exceeded	3 minute	EHSD Staff	none	
3		Record details, mark the document with "CHECKED & VERIFIED" stamp and indicates current date and control number	1 minute	EHSD Staff	none	
4		Affix the case handler's signature in the PEZA Form 8101 and release the document	1 minute	EHSD Staff	none	
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

SECURING OF CLEARANCE FOR IMPORTED CHEMICALS AND CHEMICAL SUBSTANCES (For Private Zone Locator Enterprises)

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. to 5:00 P.M.

Who May Avail of the Service:

PEZA Economic Zone Locators/Contractors/ Consultants hired by ecozone locators (Application of Clearance is done per importation of chemicals)

What are the Requirements:

1. List of chemicals with quantity/amount to be imported and/or PEZA Form 8106
2. Material Safety Data Sheet of chemicals to be imported, indicating the composition with percentage and CAS number
3. Certification from supplier if CAS number indicated in the Material Safety Data Sheet is confidential or proprietary
4. Required license, permits and/or clearance if regulated by other government agencies.

*PNP Firearms and
Explosives Division:*

Original Permit to Purchase (Locator Enterprise); Original Permit to Purchase
Locally/Transfer/Move Explosives (Chemical Supplier)

*Phil. Drug Enforcement
Agency (PDEA):*

Mixture has 30% and above PECS - P-3 or P5-I License and Special Permit to (Locator
Enterprise);
Original P-4, P-5-C or P-5-I License (Chemical Supplier)
Mixture has less than 30% PECS - Valid PDEA/DBB Certificate of exemption with RA 9165 or
Special Permit

*Environmental Management
Bureau:*

Chemicals under Chemical Control Order (CCO) - Original CCO Registration (Locator Enterprise)
Chemicals included in Priority Chemical List (PCL) - Hazardous Waste Generator's ID Registration
Chemicals not included in PICCS – PMPIN for more than 100 kg, or SQI for less than 100 kg

Duration:

One (1) Day

**SECURING OF CLEARANCE FOR IMPORTED CHEMICALS AND CHEMICAL SUBSTANCES
(For Private Zone Locator Enterprises)**

Process Flow:

Step	Applicant/Client	Service Provider	Duration of activity (under normal conditions)	Person-in-Charge	Fees	Form
1	Submit documentary requirements	Check completeness of submitted documents	10 minutes	ESG Staff	none	none
		Evaluate if chemicals to be imported are regulated	10 minutes	ESG Staff		
		Check if the appropriate permit, licenses and/or certification are already secured from the appropriate regulating government agencies	15 minutes	ESG Staff		
		Prepare Chemical Importation Evaluation	10 minutes	ESG Staff		
		Approve Chemical Importation Evaluation	10 minutes	ESG Chief		
2	Receive Chemical Importation Evaluation	Release chemical importation evaluation	5 minutes	ESG Staff		
END OF TRANSACTION

5. Disposal Facility's Notice to Proceed, in case wastes will be transported to controlled dumpsites; Disposal Facility's ECC, in case wastes will be transported to sanitary landfills; Disposal Facility's ECC and Validation/Verification Report by DOST, in case wastes will be transported to an alternative technology facility.
6. Proof of Training on Waste Management
7. Anti-Graft Certificate
8. Specimen Signature
9. Location Map
10. Official Receipt of Application Fee

Duration:

Ten (10) working days

PROCESSING OF APPLICATION FOR REGISTRATION AS RESIDUAL WASTE HAULER

Process Flow: (Reference: PEZA MC 2006-003 “Guidelines on Handling and Transport of Economic Zone’s Solid Wastes”)

Step	Applicant/Client	Service Provider	Duration of Activity (Under Normal Circumstances)	Person in Charge	Fees	Form
1	Submit documentary requirements. (Requirements 2, 3 & 5 are photocopies of the original document)	Examine completeness and validity of the requirements submitted.	1 st day	ESG Staff	Registration Fee P 5,000.00	RWH Form 01 (Application Form) RWH Form 02 (Anti-Graft Certificate) RWH Form 03 (Specimen Signature)
2		Officially accept, log and record application.	1 st day	ESG Staff	none	
3		Assign Case Handler		RWH Registration In Charge	none	
4		Review requirements submitted	2 nd day	Case Handler	none	
5		Verify status of disposal facility with DENR or DOST-ITDI		Case Handler	none	
6		Inform applicant about the schedule of site validation		Case Handler	none	
7	Confirm availability on the schedule set for site validation		2 nd day	Case Handler	none	

PROCESSING OF APPLICATION FOR REGISTRATION AS RESIDUAL WASTE HAULER

Step	Applicant/Client	Service Provider	Duration of Activity (Under Normal Circumstances)	Person in Charge	Fees	Form
8		<p>Conduct site validation including the materials recovery facility, vehicles, personnel and the disposal facility if new</p> <ul style="list-style-type: none"> •Validate the original copies of the documents submitted •Discuss findings, recommendations and requirements to the applicant •Provide a copy of the inspection checklists with recommendations and list of requirements (if any) to the applicant 	5 th day	Case Handler		<p>RWH Form 04 (Checklist for Vehicle & Personnel) RWH Form 06 (Checklist for MRF) RWH Form 05 (Checklist for Controlled Dumpsite)</p>
9	Receive inspection checklists					
10	Make necessary actions to comply with the requirements specified during site validation		6 th day			
11	Submit complete requirements					
12		Examine acceptability of the submitted requirements		Case Handler		

PROCESSING OF APPLICATION FOR REGISTRATION AS RESIDUAL WASTE HAULER

Step	Applicant/Client	Service Provider	Duration of Activity (Under Normal Circumstances)	Person in Charge	Fees	Form
13		Prepare Certificate of Registration and Vehicle Pass	7 th day	Case handler		
14		Approve and sign the Certificate of Registration		DDG for Policy and Planning		
15		Issue the Certificate of Registration and Vehicle Pass	10 th day	Case Handler		RWH Certificate Of Registration RWH Form 11 (Vehicle Pass)
-END OF PROCESS-						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF APPLICATIONS FOR EXIT OF RESIDUAL WASTES

Schedule of Availability of Service:

Monday to Sunday
8:00 A.M. - 5:00 P.M.

Who may Avail of the service:

PEZA Public Economic Zone Locators through their contracted PEZA-registered Residual Waste Haulers (Application is required for every transport of wastes)

What are the Requirements:

1. Four (4) copies of duly accomplished PEZA Residual Waste Disposal Gate Pass
2. Specimen signature/s of authorized personnel of the Locator Enterprises and Residual Waste Hauler
3. Original or certified true copy of PEZA Certificate of Registration as Residual Waste Hauler
4. Residual Waste Hauler Vehicle Pass

Duration:

Twenty-two (22) minutes

Process Flow: (Reference: PEZA MC 2006-003 "Guidelines on Handling and Transport of Economic Zone's Solid Wastes")

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
1	Submit four (4) copies of PEZA Solid Waste Gate Pass with signature of generator and collector	Verify the type and quantity of waste/s and if properly segregated for transport through ocular inspection	11 minutes	EHSD Staff	none	Residual Waste Disposal Gate Pass
2		Stamp the RW Gate Pass and assign Control Number.	3 minutes	EHSD Staff	none	

PROCESSING OF APPLICATIONS FOR EXIT OF RESIDUAL WASTES

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
3		Approve the transport by signing the Gate Pass	3 minutes	Zone Manager / EHSD Chief	none	
4		Log the transaction in the Log Sheet	5 minutes	EHSD Staff	none	none
5		Retain one (1) copy of the Gate Pass for file				
6	Return a copy of the Gate Pass with the acknowledgement of the DENR-permitted disposal facility that the hauled waste has been brought to their facility	Receive returned Gate Pass		EHSD Staff	none	
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements

PROCESSING OF APPLICATIONS FOR EXIT OF HAZARDOUS WASTES

Schedule of Availability of Service:

Monday to Friday
8:00 A.M. to 5:00 P.M.

Who May Avail of the Service:

PEZA Public Economic Zone Locators duly registered as hazardous waste generator, through their contracted DENR-EMB Accredited Hazardous Waste Haulers (Application is required for every transport of wastes)

What are the Requirements:

1. Original copy of Permit to Transport or Export Clearance;
2. Original or certified copy of Transporter's EMB Registration Certificate;
3. Seven (7) copies of completely filled-up Uniform Hazardous Manifest Form;
4. Transporter's Personnel Certificate of Training on Hazardous Waste Handling and Transport
5. Transporter's Emergency Response/Contingency Plan
6. Transporter's Emergency response equipment / Personal protective equipment
7. Properly labeled and contained hazardous waste and vehicle

Waste Materials Classified as Hazardous Waste:

Hazardous waste listed in Table 1, DENR Administrative Order 36, S. 2004
PEZA MC 2004 020: "Guidelines on Transport of Hazardous Wastes from Economic Zones"

Duration:

Fifty (50) minutes

Process Flow: (References: PEZA MC 2004-020 "Guidelines on Transport of Hazardous Wastes from Economic Zones", PEZA MC 2005-003 "Supplementary Procedure")

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
1	Present the completely filled up HW Manifest form and valid Permit to Transport or Export Clearance to EHSD	Verify details of HW Manifest form and authenticity of signatures appearing on the document; marks the HW Manifest Form with "APPROVED" stamp, records details in the HW database and assigns control number	5 minutes	EHSD Staff	none	HW Manifest Form

PROCESSING OF APPLICATIONS FOR EXIT OF HAZARDOUS WASTES

Step	Applicant/Client	Service Provider	Duration of Activity (under normal conditions)	Person in Charge	Fees	Form
2	Present filled out HW Manifest form and valid Permit to Transport or Export Clearance to EHSD Technical Staff for inspection	Conduct inspection of the HW and verifies compliance with the requirements of RA 6969	30 minutes	EHSD Staff	none	HW Inspection Checklist
3	Acknowledge the findings of the inspection		5 minutes		none	
4	Present to EHSD the HW Manifest Form for final approval	Conduct final evaluation of the documents and other requirements, approves and signs the HW Manifest Form	5 minutes	EHSD Chief	none	
		Retain a copy of the approved HW Manifest Form for records keeping and releases the six (6) copies to the HW Transporter	5 minutes	EHSD Staff	none	none
5	Return a copy of the HW Manifest that has been duly acknowledged by the HW TSD Facility	Receive returned manifest		EHSD Staff	none	
END OF TRANSACTION						

IMPORTANT: Duration of transaction stops whenever deficiency/ies are found in the requirements
