BID BULLETIN NO. 2019-10

This Bid Bulletin is being issued to inform prospective bidders that PEZA, the procuring entity (PE) for Security Services, shall retain the minimum qualification of completion of two (2) years college studies, among others, for guards to be assigned in PEZA as indicated under Section VI, Schedule of Requirements of the Bidding Documents for the procurement of **Security Services Requirement of PEZA (PEZA-HO-2019-09)**.

The PE takes into consideration the request of prospective bidders who were present during the Pre-Bid Conference, specifically to lower the minimum requirement to completion of High School Studies. However, PE's retention of minimum requirement is based on the fact that PEZA ecozones is competing globally with other ecozones and therefore it continually aims to be world-class in its services to foreign as well as domestic clients.

When the K-12 program has produce its graduates, we shall revisit our minimum qualifications for guards assigned at PEZA based on your observations to provide more employment opportunities.

Issued this 12th day of July 2019 for the information and guidance of all concerned.
