MEMORANDUM ORDER No. 2007 001 *2007*

TO : Private Special Economic Zone Locator Enterprises
Private Special Economic Zone Managers/Officers-in-Charge

FROM : Director General LILIA B. DE LIMA *Lilia B. De Lima*

SUBJECT : Power Consumption Profile of All PEZA-Registered
Locator Enterprises in the Private Special Economic Zones

DATE : 15 January 2007

As part of PEZA's continuing efforts towards formulating measures to provide adequate, reliable and reasonably-priced power supply to all PEZA-registered locator enterprises, we are once again conducting a survey on the annual consumption profile of all PEZA-registered locator enterprises in all the private Special Economic Zones (SEZs). The information gathered will likewise assist energy planners and policy makers in accurately forecasting the future capacity requirements of the energy sector.

In this regard, all private SEZ locator enterprises are hereby requested to fill up the enclosed survey form indicating the locator enterprise's (1) monthly energy in kilowatt-hours (kWh); (2) monthly demand in kilowatts (KW); and (3) monthly power bill amount for the period January 2006 to December 2006. For private SEZ locator enterprises with multiple billing meters, kindly submit the total figures/amounts for all your company's billing meters. For your convenience, an electronic copy of the enclosed survey form may be downloaded from the PEZA website at <http://www.peza.gov.ph/documents/powersurvey2006.xls>

In the case of private SEZ locator enterprises with Self-generation Facilities (SGFs) used for production purposes (excluding those for back-up power only), please include a separate table indicating (1) monthly energy in kilowatt-hours (kWh); (2) monthly demand in kilowatts (KW); and (3) monthly cost of generation per kWh (in pesos) for the same period as above.

Please submit the requested information in a brown envelope to your respective Zone Managers/OICs on or before **16 February 2007** in the following format:

- One (1) set of printed (hard) copy
- An electronic (soft) copy contained in a floppy diskette properly labeled with your company name, economic zone, contact person, telephone numbers and email address.

For your inquiries, please call the Office of the Deputy Director General for Policy and Planning at telephone numbers (02) 551-3429 or 551-3439.

For the strict compliance of all concerned.
