

BAC RESOLUTION NO. 2019-07 FB

WHEREAS, on 25th April 2019, the Bids and Awards Committee (BAC) issued Resolution No. 2019-02FB to the effect that no bid for the **Maintenance Agreement for CISCO Wireless Network Equipment Deployed at the Head Office and Public Economic Zones: CEZ, MEZ and BCEZ (PEZA-HO-2019-04)** was submitted on 24 April 2019 – the deadline for the submission of bids indicated in the Invitation to Bid;

WHEREAS, the ITB for the said Maintenance Agreement for CISCO Wireless Network Equipment Deployed at the Head Office and Public Economic Zones was again posted in the PEZA website, PhilGeps and conspicuous place at the PEZA premises continuously for seven (7) days, indicating therein 06 June 2019 (11:00AM) as the deadline of submission of bids; only Trends & Technologies, Inc. submitted its proposal;

WHEREAS, having passed the requirements for the Eligibility, Technical and Financial Proposals, the aforesaid bid was accepted for detailed evaluation;

WHEREAS, upon detailed Bid Evaluation the TWG, as indicated in its Evaluation Report to BAC dated 13 June 2019, found the bid proposal Non-Responsive based on the following:

- Price Schedule has no indicated figures on Transportation, Insurance and all other cost incidental to delivery, per item;

Section 32.2.1 of RA 9184 IRR states that...

“Completeness of the bid. Unless the Instructions to Bidders specifically allow partial bids, bids not addressing or providing all of the required items in the Bidding Documents including, where applicable, bill of quantities, shall be considered non-responsive and thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a zero (0) or a dash (-) for the said item would mean that it is being offered for free to the Government, except those required by law or regulations to be provided for”;

WHEREAS, we hereby declare that there was again failure of bidding under Section 35 of RA 9184, specifically 35.1 (c), which effectively resulted to **two failed biddings**, under which circumstance a negotiated procurement can already be had under Section 53.1 of the IRR of RA 9184;

NOW, THEREFORE, in view of the above premises, We, the Members of the Bids and Awards Committee, hereby RESOLVE as it is hereby RESOLVED, to procure the Maintenance Agreement for CISCO Wireless Network Equipment Deployed at the Head Office and Public Economic Zones through **negotiated procurement**;

RESOLVED, at the PEZA Head Office, this 14th day of June 2019.
