ISSUE/CONCERN RAISED	RESOLUTION
<p><u>Green Builder and Construction</u></p> <p>1. Clarification on the Statement of the bidder’s Single Largest Completed Contract (SLCC) --- Will you allow us to submit at least two similar contracts, the total of which equals at least 50% of the ABC of the project, given that the ABC is fairly large?</p>	<p>No. the CEZ BAC and End-user decided to retain the condition that the prospective bidder must have completed an SLCC that is similar to the contract and should be equivalent to fifty percent (50%) of the ABC of the project to be bid. This is to ensure the bidder’s track record and capacity to perform contractual obligations, particularly with big projects such as mentioned above.</p>

This Bid Bulletin No. 1 s.2022 shall amend all inconsistent provisions of the bid documents and shall form an integral part of the bidding documents issued for this project.

For the guidance and information of all concerned.
