PROJECT: SUPPLY, DELIVERY, INSTALLATION & CONFIGURATION OF VARIOUS NETWORK EQUIPMENT, STRUCTURED CABLING AND MIGRATION TO WIRELESS NETWORK (Head Office and Public Zones) (PEZA-HO-2014-07)

BID BULLETIN No. 01

(27 October 2014)

This Bulletin is issued to modify or amend the Bid Documents and shall form an integral part of the Bid Documents.

- 1) Page 75, Section VII. Technical Specifications – Manpower Requirements, Item #4 is hereby revised to read as follows:

“Bidder must have an office in Cebu or an eligible partner based in Cebu that can give technical support on all proposed equipment at the Mactan Economic Zone site for the duration of the warranty. This should be supported by a partnership agreement document.”

- 2) To answer the query of Pronet Systems Integrated Network Solution, Inc. - do we have any preferred brand of cables?

Answer: No. The proposed cable should meet the minimum requirements stated in the bid documents under Structured Cabling.

- 3) To answer the query of Pronet Systems Integrated Network Solution, Inc. - where to put the additional nodes? For example on the 6th floor, 6 nodes, do we have to provide an additional hole for the additional nodes? Or you already have an existing patch panel to cater additional nodes on the 6th floor?

Answer: All existing patch panels should be replaced.

4) To answer the query of Pronet Systems Integrated Network Solution, Inc. - what kind of fiber optic cable will be installed?

Answer: Fiber Optic Cable OM3 Multi-mode, 4-core.

5) To answer the query of Vast Net, Inc. - will you require that all wireless equipment must have NTC permit?

Answer: No.

6) To answer the query of Vast Net, Inc. - can you please specify in the Bid Bulletin to be issued the MTTR and the response time requirement?

Answer: Phone Support

All Sites - 1 hour

On-Site Support

Head Office - 2 hours

Baguio City Economic Zone - 6 hours

Cavite Economic Zone - 2 hours

Mactan Economic Zone - 2 hours

7) The following are additional items to be included in Section VII. Technical Specifications:

a) All civil works should be done after office hours (6:00 p.m. onwards).

b) The winning bidder shall be responsible for all cost related service support that will address both software and hardware problems for the whole duration of the warranty.

For guidance and information of all concerned.

J. PORFIRIO LL. YUSINGCO
BAC Chairman
