This Bid Bulletin is issued to explain the following provisions in the Bidding Documents, as a result of the Pre-Bid Conference held on 23 September 2025 for the Project "Supply and Delivery of Three (3) Brand-New Fire Trucks with 1,500 Gallon Capacity for Baguio City Economic Zone (BCEZ), Cavite Economic Zone (CEZ), and Mactan Economic Zone (MEZ)"

List of service centers within CAR, Region IV-A **and NCR (for Cavite only)** and Region 7 stated above with corresponding address, contact person, and contact number (mobile and/or landline number);<br>b. | Certificate of Conformity issued by the DENR shall be attached or its equivalent, is this necessary for what?<br><br>The requirement should be, if it is Euro 4, Euro 3 or Euro 5 because DENR certifies Euro 4 or Euro 5 compliance. | The use of the phrase **"or its equivalent"** is intended to allow other bidders to submit an equivalent requirement that remains conforming or compliant with the DENR requirements. Hence, the requirement remains the same and ensures that bidders can demonstrate compliance either through a Certificate of Conformity issued by the DENR or through an acceptable equivalent document, without lessening the level of compliance required. |

This Bid Bulletin No. 1 s.2025 shall clarify and amend all inconsistent provisions of the bid documents and shall form an integral part of the bidding documents issued for this project.

For the guidance and information of all concerned.
