

GREEN, HEALTHY, SMART AND SUSTAINABLE ECOZONE AWARD MECHANICS

I. Objective

The Award is given to encourage ecozone developers to:

1. Design ecozone towards sustainability and a decarbonized future.
2. Adopt clean and green technologies/methodologies to make ecozone operations more efficient and environment-friendly.
3. Foster partnership between government and the industry and make ecozones more attractive to global leaders in manufacturing and IT enabled activities.
4. Enable PEZA to achieve its vision as primary catalyst for sound, healthy and balanced development

II. Category

- a. Category 1 (Horizontal Ecozone Development) – Top performer developer/operator of manufacturing ecozones
- b. Category 2 (Vertical Ecozone Development) – Top performer developer/operator for IT Parks/Building

III. Criteria

The participants should have adopted/complied with requirements of some or all of the following as applicable:

1. RA 9513 or Renewable Energy (RE) Act of 2008
2. The Clean Air Act (RA 8749)
3. The Philippine Green Building Code
4. Energy Efficiency Conservation Act (RA 11285)
5. LEED/BERDE certification
6. Solid and Liquid Waste Disposal and Recycling System
7. Energy Management System and RE Development
8. Water Use and Re-Use System
9. Other projects designed to minimize the impact of climate change
10. Proposed projects to integrate ecozone into smart townships

IV. Mechanics

- 1) Applicants shall submit **NOT LATER THAN 05 APRIL 2021** to info@peza.gov.ph the following: a) participation statement (form hereto attached); b) a two-pager statement of their plans to contribute to the objectives of the award; c) supporting documents for the above-mentioned criteria. All documents shall be contained in a folder.
- 2) Top performers in each category shall be announced and awarded during the **PEZA Investors Day in May 2021.**

V. Selection Criteria

Regulatory Compliance	40%
Climate Change Adaptation/Mitigation Measures	30%
Efforts for Smart Township Integration	30%

NOMINATION AND PARTICIPATION STATEMENT

On behalf of _____

(Name of Company)

I certify that:

- The documents and information contained in this Application are, to the best of my knowledge, true, accurate and complete;
- Our company has adopted measures to minimize the effects of industrialization and contribute to the greening of ecozones towards a decarbonized future;
- Our company has documents to substantiate our compliance with environmental regulations, and that there has never been any Notice of Violation (NOV) from PEZA or other concerned agencies / offices or similar complaints received by our company for the past three (3) years;
- The measures we have adopted are compliant or geared towards compliance with the applicable provisions of the following:

- | | |
|--|---|
| <input type="checkbox"/> Green Building Code | <input type="checkbox"/> The Clean Air Act (RA 8749) |
| <input type="checkbox"/> Solid Waste Act (RA 9003) | <input type="checkbox"/> Energy Efficiency Act (RA 11285) |
| <input type="checkbox"/> DAO 2016-08 | <input type="checkbox"/> Renewable Portfolio Standards |
| <input type="checkbox"/> Renewable Energy Act (9513) | <input type="checkbox"/> Others (please specify) |

Our company will be ready for on-site audit by the Green Ecozone Award Technical Committee, if required, and other relevant documents will be made readily available.

I am the _____ and is fully authorized to execute this Statement on behalf of the company.
