**SUBJECT : DEFERMENT OF THE IMPLEMENTATION OF THE EXPANDED
ELECTRONIC ZONE TRANSFER SYSTEM (EZTS-PHASE 2) FOR
INTERZONE TRANSFERS**

As provided under Memorandum Order No. 2023-006 dated 27 June 2023, on the "Implementation of the Expanded Electronic Zone Transfer System (EZTS-Phase 2) – Enhanced Intrazone and Interzone Transfer of Goods Between PEZA-Registered Enterprises," the mandatory implementation of the EZTS-Phase 2 shall be on 01 September 2023.

In order for PEZA to properly address the recent issues brought to our attention in securing the General Transport Surety Bond (GTSB) which is a requirement for the EZTS-Phase 2, please be advised that PEZA Management has decided to defer for one (1) month, the mandatory implementation of the interzone transfer under the EZTS-Phase 2.

For INTRAZONE module however, the September 1 mandatory implementation shall proceed as scheduled since the same does not require GTSB.

PEZA shall issue subsequent MO in this regard.

For information and compliance.
