1. All manually issued LOAs before 01 October 2023 with valid Surety bond shall be accommodated until 30 September 2024 only; provided all transfer of goods therewith shall remain to be covered by PEZA manual permit;
2. A PEZA-registered enterprise (PRE) with valid manual LOA may opt to fully use the Expanded EZTS (Phase2) by securing a **new eLOA** in the system and shall submit full liquidation of the previous manual LOA by submitting to the PEZA zone office the accomplished LOA Monitoring Liquidation Ledger (MLL) within 30 days from exercising said option;
3. The PRE-is required to post only a **SINGLE GENERAL TRANSPORT SURETY BOND (GTSB)** pursuant to JMO No. 02-2015 and subsequent related BOC-CMOs.
