SUBJECT : Reminder for hazardous waste generators to register with DENR-EMB's online facility

We wish to inform that the DENR - Environmental Management Bureau (DENR-EMB) requires all hazardous waste generators to register through their online facility. This requirement is prescribed Section 3.3 of DENR Administrative Order 2013-22 also known as "Revised Procedures and Standards for the Management of Hazardous Wastes" as follows:

(Hazardous) waste generators are required to register online and pay the registration fee to the EMB Regional Office having jurisdiction over the location of the waste generator. A DENR ID Number shall be issued by the EMB Regional Office upon registration of the waste generator.

Those who have registered before and have an existing DENR ID Number issued by the DENR-EMB Regional Office through the manual process are required to register again. Thus, to ensure compliance and to avoid incurring a Notice of Violation (NOV) from the DENR, PEZA-registered enterprises are requested to visit the DENR-EMB's online registration facility through this link: <http://www.philhazwastetracksys.com/>
