FROM : TERESO O. PANGA
 Director General

DATE : 27 MARCH 2025

SUBJECT : REVISED GUIDELINES ON THE ONLINE SUBMISSION OF PEZA REPORTORIAL REQUIREMENTS IN THE ENHANCED ANNUAL COMPLIANCE MANAGEMENT SYSTEM (ACMS)

Pursuant to Memorandum Circular No. 2021-074 dated 15 December 2021 (*Annex A*) and PEZA's commitment to further improve the user experience of PEZA-registered business enterprises (RBEs) in the compliance with the reportorial requirements under RA No. 7916, as amended, PEZA Circulars and Memoranda, the online submission of the required reports in the redeveloped and enhanced Annual Compliance Management System (ACMS) shall be governed by this guideline. This circular shall apply to **all PEZA RBEs**.

Please be advised of the following procedures in the online submission of the required reportorial requirements through the enhanced ACMS:

1. All PEZA RBEs such as Export, IT, Domestic Market, Agro-Industrial, Facilities, IT Facilities, Facilities (Recycler), Logistics Service, Medical Tourism, Tourism, Utilities and Developer/Operator are directed and required to create an account, register, and submit the applicable and required reportorial requirements in the new and enhanced ACMS effective on **01 April 2025**, see attached (*Annex B - Guidelines in the ACMS user Account Registration and Reports Submission with Change in Accounting Period*).
2. The enhanced ACMS requires the uploading of the filled-out nomination letter duly signed by the highest official of the company with endorsement from the following:

TYPE OF ENTERPRISE	SIGNATORIES
Export, IT, Domestic Market, Agro-Industrial, Logistics Service, Medical Tourism, Tourism, Facilities, IT Facilities, Facilities (Recycler), and Utilities	Zone Administrators (ZAs) / Zone Managers (ZMs), and/or Acting ZMs
Developer/Operator	Ecozone Development Department (EDD)

The editable nomination letter (*Annex C*) can be also downloaded thru the PEZA website www.peza.gov.ph under resources and downloads tab.

3. All PEZA RBEs are required to submit and comply with the required reportorial requirements in the enhanced ACMS, as applicable, see attached (*Annex D - Type and Due Dates of Reports per Accounting Period*). The enhanced ACMS has a feature of automated email reminder for the reports that are due for submission per accounting period per RBEs registered account officer in the system.

4. The PEZA RBEs with existing registration in the old ACMS will be deactivated once the enhanced ACMS is implemented and the submitted reports from the old ACMS can be accessed thru email request only.
5. All reports should be submitted in PDF files to ensure system compatibility. Other file formats including MS Word, MS Excel, zipped files, JPEG, and PNG will not be recognized by the system and should not be used for submission.
6. The processing time for the evaluation and checking of the submitted reports of the Enterprise Services Division (ESD) Account Officer is within seven (7) working days upon receipt of the report through the enhanced ACMS.
7. The computation and imposition of penalty for late and non-submission of the required reportorial requirements will be strictly implemented in accordance with Rule XXV, Section 8 of the PEZA Rules and Regulations to Implement R.A. No. 7916, as Amended, which provides that:

“A. Administrative Fines - The following schedule of fines and/or administrative sanctions shall apply to all ECOZONE Enterprises and/or to any person or group of persons who have committed violations of these Rules and pertinent circulars/memoranda issued hereunder:”

1. For late filing of financial statements, income tax returns, performance reports, annual reports and all other reports / documents as specifically enumerated under Section 4 Rule XXI or required under existing circulars of the PEZA:

Violation	Basic Fine	Daily Fine
1 st	Php 500.00	Php 50.00
2 nd	1,000.00	150.00
3 rd	2,000.00	200.00

For RBEs that submitted late reports from due dates, the reckoning date of the start date of the computation of penalty is from the date of the report was first uploaded in the system not on the date that the ESD Account Officer approved the report submission. The computation of penalty for late and non-submission of reports is working days.

The ESD will send-out computation and imposition of penalty for RBEs with late and non-submission of required reportorial requirements from CY 2021 to 2024 starting 2nd Quarter of 2025.

8. The PEZA RBEs are given additional seven (7) working days to comply and submit the required reportorial requirements in the system from the due date of each reports to avoid penalty. The adjustment and allowance to upload the report is being implemented because there are reports that the due dates fall on a holiday and/or weekend and prior experience on the unexpected connectivity and system issues during the due dates.

Should you need any further clarification on this, please do not hesitate to call our Enterprise Services Division at telephone number (02) 8551-3451 loc. 423, 424, 427, 428, 429 or email at esd@peza.gov.ph.
