The amount of not less than Two Hundred Forty Thousand Five Hundred Fifty Pesos in Philippine Currency (PhP240,550.00) [2% of ABC], if bid is in managers check, bank draft; b. The amount of not less than Six Hundred One Thousand Three Hundred Seventy-Five Pesos in Philippine Currency (PhP601,375.00) [5% of ABC] if bis security is in

	guarantee, irrevocable LoC, Surety Bond.
4. Bid Data Sheet (5.4) (pg. 42) The Bidder's SLCC similar to the contract to be bid should have been completed within [state the relevant period as provided in the Invitation to Bid] prior to the deadline for the submission and receipt of bids. I just want to clarify, since this project is Office Laptops, is any ICT equipment acceptable to comply with this requirement, or does it specifically pertain to desktop computers only?	Yes, it is acceptable.
5. Technical Specifications (pg.68) ISO Certification: Manufactured by an ISO 9001 or ISO 9002 certified Personal Computer manufacturing company. (supported by certified true copy of ISO certification. Is the Certified True Copy required to be certified by the issuing agency, or may it be certified by the Bidders only?	It should be certified by the manufacturer, since the item being offered for bidding is the manufacturer's product. Therefore, the manufacturer should be the one to certify the product.
6. Technical Specifications (pg. 68) NPU: Minimum of 45 TOPS May we request that the NPU requirements be relaxed to a minimum of 24 TOPS, or we can have the range from 24 to 45 TOPS.	No, sir. Because this minimum is for the first gen NPU, please note that the life capacity of this laptop is up to five (5) years.
7. Technical Specifications (pg. 68) Weight: less than 1 kilogram Can we request to relax the weight requirement from less than 1kg to 1.35 kg? Not all of 2in1 laptops nowadays are weigh less than 1kg. Considering the high-performance processor and other required specifications.	Sir if we increase the weight to 1.3 kg, it will be office laptops. Since this units will be used by the Executives, the requirement is intended to have lightweight and portability. Therefore, we will retain the current weight requirement.
8. Technical Specifications (pg. 68) Weight: less than 1 kilogram Regarding the requirement of Less than 1 kilogram. Can we clarify whether the weight refers to: a. Tablet/Device only	The weight refers to the device with the keyboard, not including the peripherals.

15. Technical Specifications (pg. 68) Accessories: Pen and any brand of wireless rechargeable mouse What do you mean with "pen"? Does this mean that the pen is required to be bundled with the unit?	Yes, sir.
16. Technical Specifications (pg. 68) Accessories: Pen and any brand of wireless rechargeable mouse. May the wireless rechargeable mouse be supplied by a different manufacturer than the laptop OEM?	Yes.
17. Technical Specifications (pg. 68) Accessories: Pen and any brand of wireless rechargeable mouse. Is an OEM active pen required, or are compatible third-party active pens acceptable?	Compatible third-party pen will be accepted.
18. Technical Specifications (pg. 68) Wireless: Wi-Fi 7, Bluetooth Core 5.4 technology Will WiFi 6E be accepted if WiFi 7 is not yet available for a specific enterprise model?	This will be accepted.
19. Technical Specification (pg. 68) NPU: Minimum 45 TOPS We suggest for it to be fair enough to all, is it possible that instead of **NPU** can we have **AI powered**? Since the capability of the NPU is AI powered.	No, sir. The TOPS requirement needs to be specifically stated, if it is only AI powered we can have it below 13 TOPS, however we have set the minimum requirement, and AI powered is too general.
20. Technical Specification (pg. 68) Delivery: 90 Days I would just like to clarify regarding the delivery period. Just in case we are unable to meet the 90 days delivery period, are we allowed to request for an extension?	No extension must be allowed, we will implement the penalty clause of the contract.
21. Technical Specification (pg. 68) Delivery: Must submit the manufacturer's warranty certificate upon delivery. May we kindly ask to relax this instead of Manufacturer's warranty to Authorized Reseller's warranty?	No.
22. Technical Specification (pg. 68) Delivery: 90 Days	We will retain the **90 Days** Delivery Period.

ALL REQUIREMENTS/SPECIFICATIONS PROVIDED IN THE BIDDING DOCUMENTS, NOT OTHERWISE REVISED OR AMENDED BY THE ABOVE, SHALL REMAIN IN FORCE AND IN EFFECT.

For information of all concerned.
